

We stand behind our work!

Go Green Solar Screens places an extended warranty on all solar screens containing a 1" all aluminum frame installed by our company, at no extra cost. This is a lifetime warranty, which includes material and workmanship. It includes manufacturing defects in the screen material, the framework, corners, spline and center bars, not related to vandalism, homeowner negligence and/or environmental damage. We will repair or replace the above items to your satisfaction, as long as you own your home. This warranty is non-transferrable.
